

THURSDAY, JANUARY 19TH

We will stand together across the nation to tell President-elect Trump that:

WE WILL PROTECT OUR STUDENTS, OUR SCHOOLS AND OUR COMMUNITIES.

On Jan. 19, educators, parents, students and community allies will stand together in a national day of action at schools across the country to:

- Demand that our schools and campuses must be **sanctuary spaces** from the threat of deportation, racism and bullying.
- Support public education, and to call on the Senate to **not confirm Betsy DeVos as secretary of education.**
- Call on policymakers to invest in our public schools, make the billionaires and Wall Street pay their **fair share**, and protect Title I funds.
