## Culturally Responsive Pedagogy Workshop

**TUESDAY**  
**March 3, 2020**  
**5-7pm**

**Soifer Room @ AFT CT**  
**Light dinner will be provided.**

**Presenter:**

**Krista Vermeal**

***Meriden Fed. of Teachers #1478***

What does it mean to be culturally responsive? How can embracing a culturally responsive pedagogy ensure that your students feel valued and safe in your classroom?

Culturally responsive teaching is not a curriculum or a program - instead, it is a mindset based in a willingness to learn about and understand the culture of our students and how it might impact learning, both positively and negatively.
