**MUSIC ISN'T A SUBJECT.
IT'S A PATH.**

Steven Van Zandt's **Rock and Roll Forever Foundation** brings rich educational materials to teachers and students everywhere through its **TeachRock** project—at no cost to teachers!

TeachRock.org lesson plans:

- Offer a multicultural approach to American history from the viewpoints of all stakeholders
- Provide teachers with content that reflects perspectives
- Connect the history of music with classroom work
- Social studies, language arts, media studies, science and more!

The TeachRock curriculum is endorsed by the National Council for the Social Studies (NCSS), The National Council for Geographic Education (NCGE), and The National Association for Music Education (NAfME).
