Heightening Awareness for Safety, Protection & Respect

For added safety we have increased our social distancing to 8 Feet.

Face masks will be required for attendance, if you have extra PPE we will gladly accept donations for those in need. A donation bin will be available.

To assist in the area communities we are encouraging everyone bring a donation for the food bank, there will be a vehicle stationed onsite as a collection point. Your donations will assist those in need during these trying times.

Sadly, and with a heavy heart on May 20, 2020 AFT Local 5123 lost a dedicated member to Covid-19. We are paying tribute to her life and memory. To accommodate the respect dedicated to the loss and memory of Elva Graveline (PCA Local 5123) and all others through out all workplaces, we are starting the program at 10:30 AM.
