Lunch will be provided. Participants are asked to bring laptop and headphones if possible.

Educators will:

- Learn to use testimony in implementing the Connecticut Holocaust and Genocide Education and Awareness Act (Public Act 18-24 of 2018)
- Learn how IWitness provides students a unique primary source that connects learners with contextualized first-person views of history through multimedia activities
- Learn effective strategies to teach with testimony through IWitness, an educational website that offers students over 2,400 full life testimonies of survivors and witnesses to genocides
