

WORKPLACE VIOLENCE FOR HEALTHCARE WORKERS

Presented by Sara Markle
AFT National Healthcare & Safety

Overview of the CT Laws

- What are the strengths and weakness of CT's current laws in comparison to other National examples?
- Information on the felony law and advice on creating partnerships with police and district attorneys

Strategies for Change

- What strategies exist to address these safety issues at the state & local level?
- How to use existing laws and hospital committees to address safety issues
- Resources and Training opportunities

Advocating as Professionals:

Changing the Culture

- A Union of Professionals: Advocating for professional change
- A Professional Dialogue: Engaging our coworkers
