Hartford Federation of Teachers #1018 Members

October 3, 2018 (Wed)
5-7pm
Soifer Room @ AFT CT

This is an extension of the intro class. Participants will review and discuss sample SLO's in a hands on class where they will also write relevant and measurable SLO's based on **their own student population data**.

Participants are asked to collect and come prepared with their student data such as make up of student population and all relevant pre-testing data.

Light dinner will be served.
