Infusing Visual Arts Across the Curriculum

**Soifer
Room @
AFT-CT**

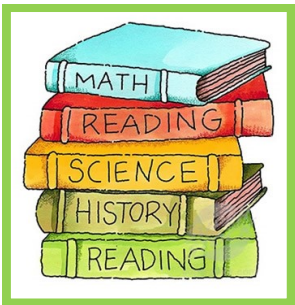

OCTOBER
17TH
WEDNESDAY

5:00^{PM}
to
7:00^{PM}

PRESENTED BY

Stacy Vocasek

EastConn Federation of Teachers #4238 Member

K-12 teachers will learn how using visual art in the classroom can support Common Core standards, including analyzing text, vocabulary acquisition, increasing background knowledge, creative writing, communication skills, and more.

Educators will be led through an activity that they could use in the classroom with time to debrief the activity, and brainstorm how it could be used in individual classrooms. Materials will be provided with strategies and resources.

Light dinner will be served.
