November 23, 2016

Officials from the administration of Governor Dannel P. Malloy recently requested an informal discussion with our state employees union coalition. Leaders of the 16 unions in the State Employees Bargaining Agent Coalition (SEBAC) today met with administration officials and plan to brief their leadership bodies and negotiating committee members.

We plan to meet informally again — further briefings and information will be available if discussions continue.

More to come, and in solidarity,

Chuck Morrell
