# Financial Planning WORKSHOP

Monday, December 10<sup>th</sup>

**NEW DATE!**

5-7pm

Soifer Room @ AFT CT

**Presenters:**

Barnaby Horton  
& Elissa Ford Slavin

*Merrill Lynch*

Members have life goals and financial needs at every stage of their career, whether they're just starting out or if they're approaching retirement. Our financial planning workshop helps members identify their life goals and learn effective financial strategies with which to support and achieve them. By organizing their financial life, participants are able to take control of their personal finances and achieve important life goals.

This workshop is designed to help participants improve their general financial literacy and achieve their life goals through the use of financial knowledge and strategies.

Light dinner will be served.
