

# Email Communication Training

Nov 22 2016  
TUESDAY  
5-7pm

Soifer  
Room  
AFT CT

Email has become a primary means of communication for our members. Learn how to effectively and efficiently draft and send emails to your membership using tools like Action Network.

This workshop will introduce you to the tools and resources available to create an easy and functional email system for you to use to communicate with your membership.

This is available at no cost as benefits of your affiliation and includes technical support.

Light dinner will be served.

Register online at  
<https://leadernet.aft.org/webform/email-communication-training>  
or call the office at 860-257-9782
