

**L&M LEADERSHIP:**

We are committed to advancing a vibrant and healthy community for Eastern Connecticut residents. Central to achieving this goal is a high quality, fully functioning, fully accessible healthcare system that is committed to the community's health and well-being, with a community hospital as the anchor.

We seek standards and commitments from Lawrence + Memorial (L+M) Hospital that support our shared vision for high quality, affordable, community centered healthcare.

| First Name | Last Name | Street Address | City | Phone # | Email | Organization | Occupation |
|------------|-----------|----------------|------|---------|-------|--------------|------------|
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |
|            |           |                |      |         |       |              |            |

### **LIDERAZGO DE L+M :**

Estamos comprometidos a avanzar una comunidad vibrante y saludable para los residentes de Connecticut del este. Central para alcanzar esta meta es un sistema de salud de alta calidad, totalmente funcional, y totalmente accesible, que esté comprometido con la salud y el bienestar de la comunidad, con un hospital comunitario como el ancla.

Buscamos estándares y compromisos del Hospital Lawrence + Memorial (L+M) que apoyen nuestra visión compartida de un cuidado de salud de alta calidad, accesible económicamente, y centrado en la comunidad.
