

# The #PublicServiceProud CAMPAIGN

I   
MY  
PUBLIC SERVICES

*Every Public Employee has a story.  
Every community has a story.  
What is yours?*

We all know the great things that happen in public service every day. Each program has a special place in the hearts of people and communities under attack. Now is the time to show why you love your work and why it is important.

**If your department had the resources it needed,  
what could you do for your community?**

*What can we do to help struggling families?*

*What would happen to your community if your job disappeared?*

*How can we promote the services we offer?*

*What challenges do we have to surmount?*

*How can we better serve the people of Connecticut?*
