

## Coalition Update:

May 1, 2020

### To All State Employee Unions:

Officials from the administration of Governor Ned Lamont have requested an informal meeting with our coalition to hear the administration's views about the fiscal situation caused by the ongoing COVID-19 (novel coronavirus) crisis. Leaders of the 16 unions in the State Employees Bargaining Agent Coalition (SEBAC) have agreed to meet in order to hear more.

A further update and information will be provided following the meeting, which has not yet been scheduled.

Additional updates are available at the coalition website at [www.ctstateemployees.org](http://www.ctstateemployees.org).

More to come, and in solidarity,
