

# Welcome

## to the AFT Connecticut At-Large Retiree Council, Local 8006R

### Why Join ?

- To remain well informed regarding issues that effect retirees;
- To receive important and current information about topics of interest to retirees such as Social Security and Medicare;
- To protect our healthcare;
- To protect and improve the sources of our retirement income;
- To have a continuing voice in the Union and the direction the union takes regarding our interests; &
- To have a venue to remain socially/politically active on the state and national levels.

Our Retiree Union works with you & for you, but we need you if we are going to be strong.

AFT Connecticut lobbyists, staff and members, both active and retired work tirelessly at the Capitol to ensure the passage of Bills that support our union, working families, and retiree issues. Members also have the potential to work on National Issues through AFT Retirees.

Additionally, there are opportunities to join social activities such as luncheons, conferences and trips.

You can be involved in as much or as little as you would like.
