

SATURDAY MARCH 25TH 2017

Governor Malloy is rolling out the red carpet for billionaires by refusing to close a special tax loophole they use to get richer. Meanwhile, poor and low-income families are forced to pay more to cover Connecticut's \$1.5B deficit.

That's not right. It's time billionaires pay their fair share.
Demand that CT #CloseTheTaxLoophole.

Take a tour with us as we protest at the estates of some of the richest men on the planet. Space is limited. Contact kburgess@workingfamilies.org to reserve your spot, or sign up at bit.ly/2mu6OpB
