# #SaveUConn

WHEN: FRIDAY, SEPTEMBER 22

TIME: 12:00 – 3:00 PM

WHERE: LEGISLATIVE OFFICE BUILDING (LOB)  
2<sup>nd</sup> FLOOR, 300 CAPITOL AVENUE,  
HARTFORD (free parking in adjacent garage)

WHY: **OPPOSE THE DEVASTATING CUTS IN  
THE TOXIC REPUBLICAN STATE  
BUDGET AND APPROVED BY THE  
LEGISLATURE.**

Legislators on Saturday passed a **Republican state budget scheme that's balanced on the backs of working people and which risks the future health and stability** of Connecticut. The governor has promised a veto — but if this toxic plan becomes law, it would cut over **\$300 million in services at UConn and UConn Health.**

That's why we're coming together in Hartford to **tell elected officials that this cruel and damaging state budget would be catastrophic for our students and patients.**

***Don't Let the Legislature  
Steal Our Future!***
