

# MARCH FOR HIGHER ED

DEMAND AN INVESTMENT IN PUBLIC HIGHER EDUCATION

**WEDNESDAY, SEPTEMBER 29 | 4 PM**

**MEET AT THE FOUNTAIN AT THE NEW HAVEN GREEN &  
MARCH TO GATEWAY COMMUNITY COLLEGE**

We cannot ignore the problem of disinvestment in public higher education any longer. Unaffordable tuition, soaring levels of student debt, and administrators putting affordability before quality; these are all problems that we are seeing in our public systems of higher education in CT, and it is destroying our educational system. Students, faculty and staff stand together to demand a public higher education system that puts our needs first!
