

# Spencer Houldin is crunching **MORE** than the numbers!

Spencer Houldin is on the board at Danbury Hospital which has sunk vast amounts of patient care dollars into busting the workers' union.

## **Spencer Houldin is putting the SQUEEZE on vital hospital staff.**

Techs and therapists at Danbury and New Milford hospitals have spent months at the bargaining table, trying to get fair wages and a voice to speak up for safe practices in our hospital. While management seems only interested in huge executive salaries and profits, the community needs its experienced caregivers at the bedside.
