# DEFENSIVE CHARTING WEBINAR

## Calling all in the nursing field!

The most important part of nursing is documentation, and the scariest part of nursing is the threat of a lawsuit—but those are the least covered topics in nursing school! Come join us as we cover what you are REALLY supposed to document, how the lawsuit process works, and what to do if you get named in a lawsuit. She will also cover the pros and cons of nursing malpractice insurance.
