[Urging Action for Improved Indoor Air Quality](#) *

Activists in early April joined labor allies, safety advocates and elected officials for an informational forum on ensuring healthy schools for students and staff. [Click here for a photo collage from the event where healthcare union members presented solutions for improving ventilation.](#)

[Providing a Blueprint for True Equity in Education](#) *

A higher education union member in a recent op-ed called for the resources needed to fund our state's future on behalf of Connecticut's students. [Click here for his message urging lawmakers to embrace a "whole child" approach in their state budget deliberations.](#)

[Promoting Solutions to the "Code Red" Care Crisis](#) *

Caregivers from across Connecticut in late March turned out for a public hearing on a proposed new state law aimed at unsafe hospital staffing. [Click here to watch one healthcare union activist tell legislators that chain executives "can afford to do better."](#)

[Showing Education Personnel's True Worth](#) *

A new video series was last month launched in order to raise awareness among state lawmakers of the challenges faced by public school paraeducators. [Click here to share a paraprofessional and school-related personnel \(PSRP\) union members' personal story to help mobilize legislative action.](#)
