

Tuesday, February 21st: **Don't Let Them Steal Our Voice, Our Jobs, or Our Pensions**

Anti-worker politicians in the Connecticut legislature are trying to steal our voices and take away our rights to negotiate a better future. A proposed bill would **roll-back our rights to negotiate pensions, stealing our families' retirement security.**

We must come together to defeat House Bill 5552, ***AN ACT EXCLUDING RETIREMENT BENEFITS FROM COLLECTIVE BARGAINING BY STATE AND MUNICIPAL EMPLOYEES*** — and **resist all legislation attacking working families:**

WHEN: **Tuesday, February 21st** beginning at **2:00PM** (come when you can — hearing will run into the evening).

WHERE: **The Legislative Office Building**, located next to the State Capitol in **Hartford** at **300 Capitol Avenue** (**free parking is available in the adjacent garage**).

HOW: Send email to TMerisotis@aftct.org or call 860/257-9782 to sign-up to attend and get **tips on how to submit testimony**; send email to JMorningstar@aftct.org for **assistance with transportation**.

Wear your AFT tee-shirt to show we're "all in" to win this fight not just for ourselves, but for all of Connecticut's working families, and communities.
