

PEER SUPPORT

FOR STUDENTS WITH DISABILITIES

WEBINAR

SEPTEMBER 28th
TUESDAY
5pm - 6:30pm

*Zoom link to be provided
prior to webinar*

This workshop looks at how teachers and paraeducators can use children without disabilities to support their work with their students with disabilities.

Objectives include: reflecting on times of the day when a peer can be involved in an activity to support their student's learning and development, developing a list of strategies for successfully getting a student peer involved to support their student's learning and development, and identifying resources that can be used to support strategies for including peers in their student's learning and development.

This workshop is designed primarily for teachers and paraeducators in grades PreK-3.
