

## STUDENTS DESERVE BETTER!

Budget cuts at Three Rivers are harming our student body! We have had to deal with **reduced hours at our library** closing by 7PM and no weekend hours offered. Our **cafeteria has limited hours**. **Student workers** are limited to less hours, requiring many to seek off campus employment. There are **fewer courses offered** overall at Three Rivers this semester. Even the automatic door nearest the handicapped parking is broken. All of these cuts are occurring while the Board that governs our college approved a **tuition increase**. Join us on **March 20 at 11AM** to call attention to the struggles of our fellow students.
