Unity March for Social and Economic Justice

HARTFORD

10:30AM

BUSHNELL PARK

NEW HAVEN

5:00PM

NEW HAVEN GREEN

From the fight against union busting and mass firings, to the fight for fair wages, to the right to protect public schools, public services, and civil rights, to the fight for a livable climate, to the fight for immigrant rights, we stand united in the struggle for justice! Now is the time for all of us to organize and fight back against attacks on working families.
