## Active Violence Immediate Response Training

### Go Beyond Active Shooter Response Training

While other programs focus solely on active shooter or stop the bleed, AVIRT goes beyond by combining both of these important topics in one training program.

### What You'll Learn with AVIRT

Live scenario exercises and hands-on practice instills confidence in your team and gives them the tools for how to respond. With AVIRT you'll learn:

Warning Signs

Active Shooter  
Response Procedures

Escape, Evade and  
Attack Techniques

Situational  
Awareness

How to Become an  
Immediate Responder

Emergency  
Bleeding Control

**IS YOUR  
ORGANIZATION  
TRAINED TO  
REACT  
IN A LIFE-  
THREATENING  
SITUATION?**

**When active violence occurs,  
seconds count, and you  
can't always wait for EMS  
to arrive. AVIRT enables you  
and your team to become  
immediate responders.**
