JUNE 9, 2026
TUESDAY
5:00PM | ZOOM

Local union elections are one of the most important responsibilities of union leadership and membership. This workshop, presented by AFT CT lawyers will provide officers and members with a practical overview of the rules, procedures, and best practices involved in conducting fair, transparent, and effective local union elections. Participants will review key legal requirements, common pitfalls, campaign and nomination considerations, voting procedures, recordkeeping expectations, and strategies for maintaining member trust throughout the election process. The session will include an opportunity for questions and discussion related to real-world election scenarios.
