# AFT CONNECTICUT LPAC EVENT

## Gubernatorial Candidate Interviews

Join us as AFT CT interviews the Democratic candidates for Governor ahead of the August primary.

The AFT Connecticut Legislative and Political Action Committee (LPAC) will conduct interviews with both Democratic candidates for Governor who have requested the union’s endorsement.

As part of AFT Connecticut’s endorsement process, each candidate has completed the Governor’s Questionnaire. These interviews provide an opportunity for members to hear directly from the candidates on issues impacting our schools, workplaces, and communities.
